SUCCESSFUL BUSINESS SALE

Darwen Terracotta transitions to employee ownership through an Employee Ownership Trust

A structured Employee Ownership Trust transaction completed for the shareholders of Darwen Terracotta, securing founder legacy, rewarding employees, and supporting long term continuity and independence under employee ownership, advised by Logros Advisory Partners.

ABOUT DARWEN TERRACOTTA

Darwen Terracotta is a UK based specialist manufacturer of architectural terracotta and faience, serving restoration, heritage, and bespoke construction projects across the UK.

Based in Darwen, Lancashire, the business has built a strong reputation for craftsmanship, technical expertise, and the delivery of high quality architectural ceramics. The transition to employee ownership provides a long term platform for continuity and independence, while recognising the contribution of the employees who have helped build the business over many years.
